CHAIRMAN'S MESSAGE

Dear Students, Parents, and Staff,

As we reach the midpoint of the academic year, I am delighted to reflect on the numerous achievements and milestones that our school community has accomplished.

Our students have consistently demonstrated exceptional academic prowess, showcasing their talents in various competitions and examinations. I am proud of their hard work, dedication, and perseverance.

Beyond academics, our students have also excelled in extracurricular activities, such as sports, music, and art. These endeavors have not only helped them develop new skills but also fostered teamwork, discipline, and creativity.

I would like to extend my gratitude to our teachers and staff for their tireless efforts in providing a supportive and stimulating learning environment. Your commitment to our students' growth and success is truly appreciated.

As we move forward, I encourage our students to continue striving for excellence, embracing challenges, and exploring their passions. I am confident that with the collective efforts of our school community, we will achieve even greater heights.

Thank you for your continued support.

DR.KK SHAJAHAN
CHAIRMAN

Fun with Figures...Math fun day Extravaganza..

Math Fun Day became an exhilarating celebration of numbers and creativity, transforming traditional math lessons into an exciting adventure. Students engaged in a variety of thought-provoking games and challenges that illuminated the beauty of mathematics. Activities included math relays, puzzles, problem-solving stations, each designed to spark curiosity and teamwork.

The young minds explored concepts like geometry and patterns, making math come alive in imaginative ways. Participants expressed newfound enthusiasm for math,

realizing that problem-solving can be both fun and fulfilling. A handful of competition in solving ambiguous situations found winners of Math Fun Day from various sections of sprouting aspirants.

Saluting Valor...the legacy of Kargil

Kargil Vijay Diwas is observed at National Public School on July 26, commemorating the valiant soldiers of the Indian Armed Forces who played a pivotal role in the Kargil War of 1999. The day made the budding generation to instill the remembrance of a military victory but also a tribute to the unparalleled courage and sacrifice demonstrated by the heroes. In the sacred morning assembly, ceremonies are held in our school to echo the pride and patriotism within each young citizen at National's heart.

The event included engaging activities where our young aspirants performed a sizzling dance which tribute the soldiers. Furthermore, lamps have been lightened tributing the brave soldiers and tracing the war's historical significance.

Light the Way....

Empowerment through Knowledge..

Awareness programme on drug abuse

The Nalla Paadam Unit of National Public School hosted a vital Drug Abuse Awareness session joining hands with the Excise department. Aimed at educating the sprouting generation on the dangers of substance misuse, the event kicked off with an engaging session by Mr Mohammed Safar, Civil Excise Officer, Excise Range Office, Chathannoor, Kollam District who shared compelling statistics and personal stories that illustrated the harsh realities of drug abuse. The edifying session captivated the audience, encouraging participants to ask questions and share their own experiences. The session emphasized the importance of understanding drug abuse as a preventable issue, targeting not just users but also families and friends who could help provide support.

As the session unfolded, the attendees were being instilled with practical tools to recognize early signs of addiction and access available resources. As per Excise department, the public feedback was overwhelmingly positive, with participants expressing gratitude for the insightful information and actionable advice. By fostering open conversations about this serious issue, the Excise Department aimed to empower individuals and families to take preventive measures. This awareness session was not just informative; it was a call to action to create a safer, healthier life for all.

Kids' Wonderla

Eco Warriors Unite..... Sprouting Ideas Commitment to Sustainability

On a whimsical rainy day, the kindergarten classroom transformed into a haven of creativity and joy as little ones embraced the gentle patter of raindrops outside. The atmosphere crackled with excitement as tiny hands crafted colorful paper boats, each one adorned with their imaginative designs, ready to sail into puddles during their eagerly awaited outdoor adventure. Laughter filled the air as the children enjoyed the pitter patter rainy day with soothing cold under the greyish umbrella sky unfolded above them again setting the realm for a delightful day of exploration and learning.

As the rain continued its melodic dance, teachers organized a series of engaging activities, including storytelling, rhymes encompassed with the wonders of nature. Children gathered in cozy corners, entranced by tales of magical creatures that thrived in the rain. The day burst into a lively symphony of colors and sounds of rain and breeze blending creativity in little hearts and minds which blossomed together. Ultimately, the rainy day became a cherished memory, reminding everyone that there's beauty to be found even in the storm, which is a life lesson too.

Virtual Reality : Prioritizing Well-Being Online

The session on 'Web Being vs Well Being' engaged students in an enriching dialogue about the impacts of digital presence on overall happiness and health. Fostering a deeper understanding of technology and mindfulness, the screen time vs healthy mind became the main focus of this interactive exploration where Ms Reshma Selastin, Psychologist, Psychiatry and behavioral medicine, KIMS Health Hospital, discussed the balance between online activities and real-life interactions, highlighting the importance of intentional digital use.

The exciting interactive session encouraged self-reflection, prompting students to evaluate their screen time and its effects on mental wellness. The slot not only enhanced student knowledge but also fostered a creative, holistic approach towards learning. Being indulged in well being discussion, the students were being empowered to navigate their digital lives mindfully. Together, these experiences nourished their growth, curiosity, and creativity.
